Habitat for Humanity/Mississippi Cottages. We asked Habitat to develop a “model” that utilized Mississippi Cottages and modular additions combined to form larger permanent dwellings. Habitat did so, working with Lexington Homes, a manufacturer of the cottage, to build a 400 sq. ft. modular add-on that turns a Mississippi Cottage into a house of approximately 1,100 sq. ft. Two such cottages are being set permanently, and will be ready for an unveiling. Site located in Diamondhead.

- 5:30 p.m. - Informal meetings at hotel
